IFIM School of Technology

VIKSIT BHARAT@2047
A VISION OF A DEVELOPED INDIA

IFIM COLLEGE

About College

IFIM College, Bengaluru, is a premier institution committed to academic excellence, innovation, and societal impact. Through its focus on technology education, management studies, and applied research, IFIM College aims to nurture future-ready professionals and responsible leaders. The institution actively promotes research, collaboration, and knowledge dissemination through conferences, seminars, workshops, and academic initiatives at national and international levels. The IFIM School of Technology actively promotes interdisciplinary research, industry collaboration, and innovation-driven learning aligned with national priorities such as Viksit Bharat @2047.

About School of Technology

The School of Technology at IFIM Institutions nurtures technically skilled, innovative, and industry-ready professionals with a strong foundation in computing, ethics, and research. The curriculum aligns with industry standards and emerging technologies, offering hands-on experience in software development, data science, artificial intelligence, cloud computing, cybersecurity, and web technologies. Through project-based learning, internships, and industry collaboration, students apply theory to real-world challenges and develop critical thinking, innovation, and lifelong learning skills.

About Conference

As India approaches the centenary of its independence in 2047, the national vision of Viksit Bharat@2047 calls for inclusive growth driven by innovation, knowledge, and sustainability. Achieving this vision requires active participation from academic institutions as creators of knowledge and responsible innovation. .
BharatSynapse@2047 is conceived as a national interdisciplinary academic platform that brings together faculty members, researchers, and scholars from diverse domains to engage in a dialogue on India's future. The conference aims to integrate technology, management, and sustainability to foster research that contributes to national development and societal well-being.

VIKSIT BHARAT@2047
A VISION OF A DEVELOPED INDIA

IFIM COLLEGE

Vision Alignment : Viksit Bharat@2047

The conference aligns with the core pillars of Viksit Bharat@2047, including:
