VIKSIT BHAT 2047 A VISION OF A DEVELOPED INDIA

IFIM

1st National Conference on Bharat Synapse@2047

National Interdisciplinary Conference in the Era of Artificial Intelligence

Dates: 5–6 March,2026

Venue: IFIM College

Organised by:

IFIM School of Technology, IFIM College

About IFIM College

IFIM College, Bengaluru, is a premier institution committed to academic excellence, innovation, and societal impact. Through its focus on technology education, management studies, and applied research, IFIM College aims to nurture future-ready professionals and responsible leaders.

The IFIM School of Technology actively promotes interdisciplinary research, industry collaboration, and innovation-driven learning aligned with national priorities such as NEP 2020 and Viksit Bharat@2047

Vision Alignment: Viksit Bharat@2047

The conference aligns with the core pillars of Viksit Bharat@2047, including:
Knowledge-driven economic growth

- Digital public infrastructure and innovation
- Human capital development
- Sustainable and inclusive development
- Ethical and responsible use of technology

Through academic inquiry and interdisciplinary collaboration, the conference seeks to contribute to India's long-term developmental aspirations.

Chief Guest

Dr. Govardhan Das

Prof. Das completed his doctorate (Ph.D.) in Immunology - Host pathogen relationship, from the Institute of Microbial Technology, Chandigarh in 1997. He is associated with reputed professional organizations such as Molecular Immunology Forum, and Guha Research Council. Prof. Das also holds editorial positions as associate editor in various prestigious journals.

About the Conference

As India approaches the centenary of its independence in 2047, the national vision of Viksit Bharat@2047 calls for inclusive growth driven by innovation, knowledge, and sustainability. Achieving this vision requires active participation from academic institutions as creators of knowledge and responsible innovation.
Bharat Synapse@2047 is conceived as a national interdisciplinary academic platform that brings together faculty members, researchers, and scholars from diverse domains to engage in dialogue on India's future. The conference aims to integrate technology, management, and sustainability to foster research that contributes to national development and societal well-being.

Conference Objective

- Provide a national platform for interdisciplinary academic dialogue
- Encourage research aligned with Viksit Bharat@2047
- Promote innovation, creativity, and responsible technology
- Strengthen inter-institutional research collaboration
- Generate NAAC-aligned academic outcomes
